2002 S 150 W - LA PORTE, INDIANA 46350

Aero Club Newsletter

In this issue:

- Aviation Camp
- Volunteers for pancake breakfast chairman
- Volunteer Pilots for Aviation Camp

From the President: Hi aero club members;

We are expecting several aviation students to be here for our aviation camp held from June 19-23rd to give young people a chance to consider a career in aviation

Next dinner will be in July; skipping June because of the aviation camp.

The broken grill has been repaired, an additional equipment will be picked up from Michigan City Aviators July 2nd.

There is a good possibility that we may receive a donation toward our

fundraising efforts relating to our community enrichment through the scholarships and the aviation camp, pancake breakfast, etc.

Well that's all I have for now, so until next month;

Be safe Troy Harrison

From Neil: We need someone to be pancake breakfast chairman for next year. This is my last year and I am trying to pass the torch to someone else. I will help as much as needed so it will not be a cold start. I have notes and worksheets that can be used to make things go smoothly. No one yet has volunteered to do this and this would be a good year to start learning. I have been trying for a few years to get this done, so if no one volunteers I am not sure what will be done next year.

We are hoping for good weather for the aviation camp on at least Monday the 19 and Tuesday the 20th to be able to fly the kids. We have to do a judgment call on the weather as it can be somewhat unreliable at this time of year. For those pilots that have volunteered to fly, be at the east side of the airport at 9 am lined up to fly the kids. As always it may have to be juggled to get this done. Make sure you have the plane ready to go and cross your fingers for good weather so that we may provide the best experience for these kids.Neil

“Of course I can accept you for who you are. You are someone I need to change.”
